ALS —

Do you know that that is?

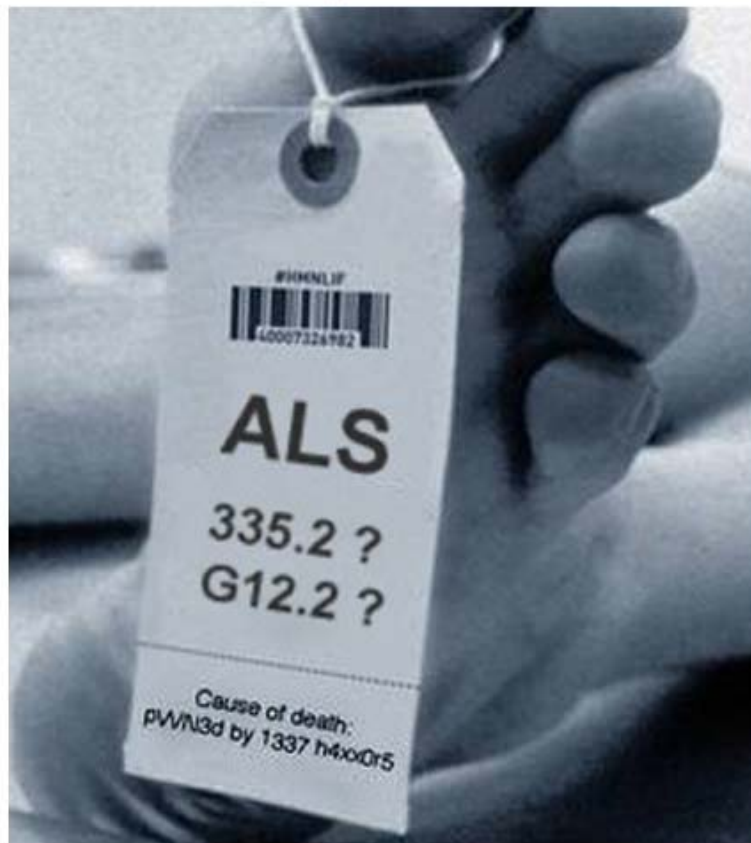

A.L.S.

**3 letters you never want to
hear from your doctor.**

TIME

Time Mystery of the Year Issue

NASA explores ALS cases at Kennedy Space Center. **by Rob Young**

“ALS is not an
incurable disease.
It is an underfunded
disease.

Stan Appel, M.D.

Testifying Before A Congressional Subcommittee

April, 2009

Army Benefits Include

Lou Gehrig's Disease
